Auckland, New Zealand

Why have an orientation?

A MIECANZ Orientation...

- Provides a safe, welcoming environment from the time of arrival at Auckland Airport through to departure to new school destination.
- Helps students learn about New Zealand by giving them a genuine, on the ground, New Zealand experience.
- Helps to ensure that students are prepared for school, for living in a homestay, and are ready to settle in New Zealand.
- Enhances a sense of connection with other students.
- Provides an opportunity to form social links with other students going through the same student arrival process.

What happens at the Orientation?

Students are greeted at Auckland airport then driven by bus to our accommodation in Auckland. They spend 2 days participating in indoor and outdoor group activities, information sessions and a guided tour around the sights of Auckland. On Day 3, students are taken to Auckland airport and assisted in catching their flights to their new school and homestay locations.

The programme includes:

- 2 nights accommodation
- All meals
- Travel to and from Auckland airport
- 24 hour MIECANZ staff supervision
- Information sessions, indoor and outdoor group activities, guided bus tour around Auckland city
- Visit to the Sky Tower
